

SJB Lent Family Pack 2024.

Welcome to our Lent Family Pack, with ideas, activities and event reminders to keep you busy throughout Lent and Easter.

- Lent begins on VaLENTine's Day, so why not cut out, colour and send an encouraging postcard to someone special?
- We have included a booklet with daily family readings you can do, and then place a star in the box on the Lent Calendar. Stick up your Lent Calendar in a good place to see it everyday. We have included some white tack for this (ask your grown up first! Unless you are the grown up...) You could read it at a meal time, after school, or before bed. Whichever works best for you as a family. Add a cross for Easter Sunday!
- Add the dates from the back of the Lent Calendar to your Family Calendar so you remember to come along to our exciting Lent and Easter Services and Events.
- Additional Family Dates: (look for other dates on the back of the Lent Calendar!)
